RUBBER COMPOUND:	
CUT RESISTANT	
HEAT RESISTANT	X
STANDARD	

The Aeolus AE39's aggressive tread design features both transverse and circumferential grooves that deliver excellent traction while maintaining superior flotation characteristics. The enhanced rubber compound offers excellent wear and improved resistance to punctures. The AE39 is engineered to provide a stable, comfortable ride while delivering exceptional mileage.

Features & Benefits:

- High traction – self-cleaning tread design
- Excellent flotation
- Low rolling resistance
- Operator comfort

Applications:

- Articulated Dump Trucks
- Rigid Dump Trucks
- Loaders
